

All-Plastic Flat Distribution Box Manufacturer

Article Overview

Technology Container Corp (TCC) and HLP Klearfold are leading manufacturers of reusable all-plastic flat distribution boxes.

Key Manufacturers and Suppliers

1. Technology Container Corp (TCC) TCC specializes in reusable corrugated plastic boxes that fold flat for storage and return. Their boxes are designed for high-cycle reuse, reducing greenhouse gas emissions, solid waste, and energy consumption by over 60% compared to paper boxes. The boxes can be reused hundreds of times, and their flat-folding design allows for easy return and storage. TCC also offers customization for large-scale distribution systems, making them suitable for industrial and logistics applications . 2. HLP Klearfold HLP Klearfold is a global leader in clear plastic folding cartons and boxes, including APET, RPET, and PP materials. Their proprietary Soft Crease® scoring technology ensures precise folding with minimal resistance, making their boxes compatible with automated filling equipment. They provide environmentally friendly options, including post-consumer recycled materials, and offer a wide range of sizes and styles suitable for distribution and packaging . 3. TAKACHI TAKACHI manufactures plastic enclosures and industrial boxes, including IP68-rated plastic enclosures. While primarily focused on electronics and industrial applications, their plastic boxes are durable, corrosion-free, and customizable. They offer CNC machining, laser cutting, and overlay printing, which can be adapted for specialized distribution or storage needs . 4. DirectIndustry Suppliers Various industrial suppliers listed on DirectIndustry provide polycarbonate, ABS, and polyest...
