## Article Overview

For distribution boxes in Andorra, you can source from local distributors like Cairó or international manufacturers such as Shengen and ELDI, offering both standard and custom solutions.

### Local Supplier in Andorra

Cairó is an Andorran company specializing in the distribution of electrical materials, including power distribution boxes, lighting, HVAC, plumbing, and heating equipment. They provide a range of products suitable for residential, commercial, and industrial applications, and maintain local stock for faster delivery within Andorra (Cairó, Andorra la Vella) .

### International Manufacturers and Suppliers

- Shengen offers custom power distribution boxes with modular designs, weather-resistant construction, and advanced safety features such as circuit breakers and ground fault protection. They cater to industrial, commercial, and construction applications, and can provide units for both temporary and permanent installations. Shengen also supports custom configurations, remote monitoring, and energy management systems, making them suitable for specialized projects in Andorra .
- ELDI provides flexible manufacturing of distribution boxes and complex systems, from small local control panels to large automation cabinets. Their products comply with European Union directives (Low Voltage Directive 2014/35/EK, EMC Directive 2014/30/EK) and IEC 61439 standards, ensuring CE marking and conformity for the European market. ELDI can deliver custom solutions tailored to specific technical requirements, which is ideal for businesses needing specialized electrical distributio...
