

Australian switch and distribution box manufacturers

Article Overview

Australia has several reputable manufacturers of switchboards and distribution boxes, including Aussie Switchboards, Switch Box, Switchboard In a Box, B&R Enclosures, and Metroid Electrical Engineering.

Key Manufacturers

1. Aussie Switchboards Aussie Switchboards specializes in the design and manufacture of low-voltage power distribution boards, main switchboards, meter panels, and motor control centres. They offer solutions ranging from small metal enclosures to large 3200 Amp switchboards. Their in-house sheet metal workshop and Type Test certifications ensure high-quality, custom-built products, with extended warranties available on workmanship and select switchgear brands . 2. Switch Box Switch Box provides locally built switchboard solutions for power and lighting boards, CT meters, MCCB chassis, and busbar distribution. They emphasize rapid builds, quality assurance, and customer engagement in the drafting process. Their experience spans over 100 years in the industry, offering both standard and custom enclosures . 3. Switchboard In a Box This company offers type-tested three-phase distribution boards for commercial and industrial applications, including Standard, Hybrid Active, Split Metered, Meter Ready, Multi-Service, and Heavy Duty variants. They also provide energy monitoring solutions, modular interfaces for remote control, and low & medium voltage switchgear compliant with AS/NZS 61439.2 . 4. B&R Enclosures B&R Enclosures is a leading Australian-owned manufacturer of electrical enclosures, switchboards, and climate control solutions....
