

# Bahamas sells fiber optic cables

## Article Overview

You can purchase fiber optic cables in the Bahamas from local distributors and specialized companies such as Nassau National Cable, Lightcommunication Company, and IslandWide Cabling & Consulting.

### Local Suppliers and Distributors

- Nassau National Cable: A trusted distributor of industrial and commercial wire and cable, including fiber optic cables. They offer quality products at competitive prices and provide worldwide shipping if needed ([nassaunationalcable.com](http://nassaunationalcable.com)) .
- Lightcommunication Company: Specializes in fiber optic solutions, including installation, splicing, OTDR troubleshooting, and network maintenance. They provide both single-mode and multi-mode fiber optic cables and can assist with constructing internal and external fiber networks ([lightcomco.com](http://lightcomco.com)) .
- IslandWide Cabling & Consulting: Offers comprehensive IT infrastructure solutions, including fiber optic cable installation and consulting services. They focus on building reliable and cost-effective network systems for businesses ([iccbahamas.com](http://iccbahamas.com)) .

### Telecommunications Providers

- BTC Bahamas: While primarily an internet service provider, BTC offers fiber optic internet services and can supply fiber optic cables as part of their installation packages. They provide high-speed fiber connections with symmetrical upload and download speeds, suitable for residential and business use ([btcbahamas.com](http://btcbahamas.com)) .
