

# Belgian core switch manufacturer

## Article Overview

Luminex is a leading Belgian manufacturer of professional network switches, complemented by several industrial switchgear companies like Electro Goorts NV and ECS.

### Key Belgian Manufacturers

Luminex is a Belgium-based company specializing in network switches for professional lighting, audio, and video applications. Their switches are designed for high reliability, redundancy, and interoperability across multiple protocols, making them suitable for live events, installations, and AV networks. Luminex products feature ruggedized housings and advanced monitoring tools, ensuring robust performance in demanding environments (Luminex) . Electro Goorts NV focuses on high and medium voltage electrical installations, including custom switchgear solutions. With decades of experience, they provide tailored solutions for industrial and commercial applications, emphasizing safety and reliability (Ensun) . ECS (Electro Cabling Service) is another Belgian company producing and optimizing electrical switchgear. They offer panel building, installation, and project management services, making them a key player in industrial switchgear manufacturing (Ensun) . Deba NV specializes in medium voltage installations and turnkey switchgear solutions, providing complete systems for industrial and commercial clients. Their expertise includes installation, maintenance, and customization of medium voltage switchgear (Ensun) .
