

Belgian fiber optic logging cable price

Article Overview

Fiber optic logging cables in Belgium typically range from €0.50 to €3 per meter depending on type, quality, and supplier.

Price Overview

Fiber optic logging cables vary in price based on type (single-mode vs multimode), core count, jacket material, and intended use. For professional and industrial applications in Belgium:

- Single-mode cables (used for long-distance, high-speed data transmission) generally cost €1–€3 per meter.
- Multimode cables (used for shorter distances, e.g., within data centers) are usually €0.50–€1.50 per meter.
- Specialty cables, such as armored or outdoor-rated logging cables, may be priced higher due to durability and environmental resistance.

Suppliers in Belgium

- Farnell Belgium offers a wide range of fiber optic cables suitable for networking and telecom applications, but prices are not listed online; contacting them is necessary for quotes .
- Nexans Belgium provides a detailed price list (Price list N 08/2024) for cables per 1000 meters, which includes industrial and domestic fiber optic cables. Accessing the Excel file from their website will give exact pricing .
