

Cheap German electrical distribution boxes

Article Overview

Affordable German distribution boxes are available online from suppliers like Intratec, OBI, Könnert & Söhnen, and SENTAL, offering options for indoor, outdoor, residential, and industrial use.

Where to Buy

- Intratec offers a wide range of inexpensive distribution boxes, including wall-mounted and flush-mounted types, with various IP protection classes and rated currents. They also provide accessories like WAGO terminals, cable ties, and crimping tools, making it suitable for both private and commercial projects (Intratec) .
- OBI provides distribution boxes for home and garden projects, available online and in-store, suitable for smaller residential installations (OBI) .
- Könnert & Söhnen specializes in high-quality boards for up to 7 circuits with 32A maximum current, suitable for indoor and outdoor use. Their boards include protective devices like circuit breakers and grounding bars, and some models feature integrated sockets for direct equipment connection (Könnert & Söhnen) .
- SENTAL Export GmbH offers a variety of indoor and outdoor distribution boxes, including street cabinets, suitable for larger installations or construction sites (SENTAL) .
- idealo.de allows price comparison for multiple brands and types, including small wall-mounted boxes, under-distributors, and industrial cabinets, helping you find the cheapest option for your needs (idealo)
