

China's Distribution Box and Cabinet Manufacturers

Article Overview

China is a leading global hub for distribution box and cabinet manufacturing, with top suppliers offering a wide range of customizable, high-quality electrical enclosures for residential, commercial, and industrial applications.

Overview of Chinese Manufacturers

China hosts thousands of distribution box and cabinet manufacturers, primarily concentrated in industrial hubs such as Guangdong, Zhejiang, and Jiangsu . These manufacturers produce a variety of enclosures, including wall-mounted boxes, floor-standing cabinets, stainless steel boxes, plastic boxes, and waterproof IP-rated units . Many factories integrate vertical production chains, allowing them to source components, assemble, and test products under one roof, which reduces lead times and ensures quality control .

Leading Manufacturers and Capabilities

- CHYT: Specializes in MCCB distribution panels, plastic sealed protective boxes, and solar photovoltaic electrical components. The company emphasizes customization, precision machining, and high-end surface coating, with a production capacity of around \$5 million USD annually . CHYT serves sectors like smart cities, smart factories, and state grid projects
