

Comoros Fiberglass Cable Tray Manufacturer

Article Overview

EFG Composites and Five Suns EcoEnergy are among the leading fiberglass cable tray suppliers serving Comoros, offering ladder-type and perforated trays for industrial applications.

Key Brands and Manufacturers

EFG Composites is recognized for high-quality fiberglass cable trays, including ladder and perforated types. Their products are made from pultruded fiberglass sections with polyester or vinylester resin systems, incorporating UV stabilizers and surfacing veils for corrosion resistance. EFG trays are suitable for harsh environments such as chemical plants, refineries, and laboratories, and they offer a wide range of sizes, thicknesses, and accessories like bends, tees, reducers, and coupler plates. Five Suns EcoEnergy (FSE) provides ladder-type fiberglass cable trays designed for durability and lightweight performance. Their FRP/GRP trays are corrosion-resistant and ideal for outdoor telecommunication and industrial applications. FSE also supplies molded fittings, cable ladder sets, and perforated trays for effective ventilation and cable protection.

Types of Fiberglass Cable Trays

- Ladder-Type Cable Trays: Open-frame design with side rails connected by rungs, offering maximum ventilation and support for heavy-duty cables. Widely used in industrial, oil, gas, and renewable energy sectors
