

Cost of Waterproof Electrical Distribution Box in Slovakia

Article Overview

Waterproof electrical distribution boxes in Slovakia typically range from €15 to €150 depending on size, material, and IP rating.

Price Overview

- Small ABS plastic boxes (IP65–IP67) suitable for residential or light outdoor use generally cost €15–€40. These are compact, lightweight, and ideal for protecting small circuits or outdoor outlets .
- Medium-sized boxes with DIN rail support or multiple circuits often range from €40–€80, offering more internal space, better cable management, and higher durability for industrial or commercial applications .
- Large or heavy-duty enclosures (IP67–IP68, UV-stabilized polycarbonate or metal) designed for harsh outdoor environments, solar systems, or flood-prone areas can cost €80–€150 or more, depending on features like pre-installed terminals, fire-retardant materials, or custom configurations .

Factors Affecting Cost

- Ingress Protection (IP) Rating: Higher IP ratings (IP66–IP68) provide better protection against water and dust, increasing the price .
- Material: ABS plastic is economical and lightweight, polycarbonate offers UV resistance and higher impact strength, while metal enclosures provide maximum durability .
- Size and Capacity: Larger boxes with more internal space or DIN rail support cost...
