

Custom-made cable tray models and prices in Estonia

Article Overview

Custom-made cable trays in Estonia are available from multiple suppliers, with prices varying based on material, size, and specifications; direct inquiries are recommended for accurate quotes.

Suppliers and Customization Options

Several companies in Estonia specialize in custom cable trays:

- A-Kaabel offers full-service cable installation, including planning, design, and installation of medium and low current systems, with up to 10 years warranty on installation. They provide tailored solutions for industrial and data center applications, ensuring compliance with safety standards and energy efficiency .
- Micro Sheet Crafts and Brilltech Engineers provide customized cable trays made from high-grade steel or galvanized materials. They offer modular designs, ladder trays, and raceways suitable for electrical, communication, and construction applications. Their products are designed to meet client-specific dimensions and load requirements .
- Cable House manufactures and supplies cable trays with a focus on durability and reliability, offering customized solutions for both national and international clients. They emphasize quality control and timely delivery .
