

Customs declaration for 800G of active optical devices

Overview

The Customs Value Declaration must be drawn up conforming to form DV 1, whose specimen is laid down in Annex 8 to Regulation (EU) 2016/341 (CELEX 32016R0341) known as UCC Transitional Delegated Act. This form must be presented with the Single Administrative Document (SAD). A customs declaration is an official document that gives details of goods that are being imported or exported into or out of EU customs territory. It is the legal act whereby an operator indicates their intention to place those goods under an EU customs procedure, as described in the Union customs. It provides detailed information on EU import procedures, including topics such as registering as an economic operator and the Economic Operators Registration and Identification (EORI) number, the various documents you need to complete and links to sector and country specific requirements. For more. If you are importing goods into Germany from outside the EU, you can submit the customs declaration via the Internet. Unfortunately this specification of service has not yet been completely translated. The amendment is based on Council Regulation (EU) 2026/382 of 11 February 2026 amending Regulation (EC) No 1186/2009 as regards the elimination of the. German customs clearance is the process of declaring non-EU goods to German customs, paying any applicable duties and import VAT, and proving compliance with documentation (invoice, HS codes, origin, and transport details).
