

Direct Sales Manufacturer of Electrical Cable Trays

Article Overview

Leading manufacturers like Øglænd System, SFSP, Thomas & Betts, and Legrand offer direct sales of high-quality electrical cable trays and accessories.

Key Manufacturers and Offerings

Øglænd System provides a wide range of cable tray systems suitable for both offshore and onshore projects. Their products include stainless steel, galvanized steel, aluminum, and fiberglass (FRP/GRP) trays, with various heights, widths, and slot patterns for efficient cable management. They also offer complementary brackets, fittings, and accessories for stable and compact installations. SFSP manufactures steel cable trays and accessories compliant with international standards such as BS EN 61537:2023, NEMA, and CENELEC EN 50173-1. Their trays are available in pre-galvanized, hot-dip galvanized, stainless steel, and aluminum, with thicknesses ranging from 1.0 mm to 2.0 mm, designed for fast installation and cost efficiency. Thomas & Betts offers adaptable and low-maintenance cable tray systems that are cost-effective and safe. Their solutions are designed to be more reliable and easier to maintain than traditional conduit systems, with a focus on long-term performance and flexibility for future expansion. Legrand (Cablofil®) specializes in wire mesh cable trays, providing strong yet easy-to-install solutions for heavy power cables and data center cabling. They offer prefabricated assemblies, fasteners, and accessories to build complete cable management systems efficiently. Modular Cable Tray Suppliers (DirectIndustry) feature products like EASYCONNECT® wire mesh trays, which integrate their own fixing systems to reduce installation time and...
