

Eastern European Fire-Resistant Cable Tray Manufacturers

Article Overview

Key Eastern European manufacturers of fire-resistant cable trays include EAE Group, Basor Electric, DKC Europe, and Trayco, all offering products tested to European fire safety standards.

EAE Group

EAE Group, established in 1973, is a prominent manufacturer in Eastern Europe, producing a wide range of electrical solutions including fire-resistant cable trays. Their products comply with multiple ISO standards, including ISO 9001 for quality management and ISO 45001 for occupational health and safety, ensuring high reliability and safety in fire-prone environments. EAE offers systems suitable for ceiling and wall installations, designed to maintain circuit integrity during fire events.

Basor Electric

Basor Electric specializes in cable trays designed to maintain functionality during fires, particularly for critical installations such as emergency lighting, fire alarms, and smoke extractors. Their products are tested according to German, Czech, and Slovak fire safety standards, ensuring that the cable systems can sustain power supply under extreme fire conditions. Basor Electric provides solutions tailored to public buildings and industrial facilities where evacuation and safety are critical.
