

El Salvadoran manufacturers of three-level electrical distribution boxes

Article Overview

Key El Salvadoran manufacturers for three-level electrical distribution boxes include SESA de C.V., Celasa, and SKKBOBOX, offering industrial-grade and customizable solutions.

SESA de C.V.

SUMINISTROS ELECTROMECAÑICOS, S.A. DE C.V. (SESA), established in 1974, is a leading supplier of electrical materials in El Salvador. They provide solutions for low, medium, and high voltage distribution, including substation equipment and distribution transformers. SESA represents global brands such as General Electric, WEG Transformers, and Amatek Power Instruments, and offers engineering services, maintenance, and design of electrical installations, which can include multi-level distribution boxes for industrial and commercial applications. Their clients include major utilities like Grupo AES, DELSUR, and ETESAL (SESA de C.V.), . Location: 25 Av. Norte #1025, San Salvador, El Salvador

Celasa

Celasa is a prominent distributor of electrical materials in El Salvador with over 12 years of experience. They provide circuit protection solutions compatible with THQL/BR/Twin breakers and can supply multi-level distribution boxes for residential and commercial projects. Celasa emphasizes high-quality materials and expert advisory services, making them suitable for projects requiring reliable three-level di...
