

Estonian electrical distribution box manufacturers for sale

Article Overview

Key Estonian manufacturers of electrical distribution boxes include Eltech Solutions OÜ, ESB Group, and Koloss Electric OÜ.

Leading Manufacturers

Eltech Solutions OÜ specializes in the engineering, design, and manufacturing of low, medium, and high-voltage electrical installations. They produce switchgear, controlgear, and complete substations, including concrete and metal enclosure compact substations (ES-CAV and ES-OSM), which comply with international standards such as IEC 62271-202:2014 and EN 61439-2 . Their products are modular, flexible, and suitable for industrial and commercial applications. ESB Group offers complete electrical solutions from design to manufacturing. They produce substations, electrical switchboards, and diesel generators, focusing on client-specific, reliable, and durable solutions . Their products are suitable for a wide range of projects, including industrial and infrastructure applications. Koloss Electric OÜ manufactures low-voltage distribution boards and switchboards for residential, commercial, and industrial buildings. Their distribution boards include energy metering, overload protection, and short-circuit prevention, and are designed for three-phase networks (230/400V, 50 Hz). They also provide modular panels for transformer substations and input devices .
