

Ethiopia Distribution Box Configuration Company

Article Overview

Ethiopia has several leading companies providing distribution box configuration, including BESPO EMS PLC, Sigma Engineering PLC, and international suppliers like DGG Power.

BESPO EMS PLC

BESPO EMS PLC delivers safe, smart, and reliable electrical solutions across Ethiopia, covering homes, offices, and industrial facilities . Their services include:

- Custom assembly of LV distribution boards up to 4000A, PCCs, MCCs, and power factor correction panels
 - Design, construction, and commissioning of 230/132 KV substations and switchyards
 - MV/LV power distribution, DC power supply systems, and industrial automation
 - Advanced protection panels, SCADA monitoring, and smart building automation
- BESPO emphasizes precision engineering and large-scale infrastructure projects, making them a top choice for industrial and commercial power distribution needs.

Sigma Engineering PLC

Sigma Engineering PLC specializes in design, manufacture, and dry-testing of electrical distribution boards up to 4000A . Their offerings include:...
