

Fiji Spectrometer Manufacturer

Article Overview

Fiji has several reputable spectrometer suppliers, including Laboid International, Aditya Systems, MA Trading Ltd, and Medica Pacifica PTE Limited, offering a range of laboratory and industrial spectrometers.

Key Suppliers

Laboid International is a leading manufacturer and supplier of spectrophotometers and spectrometers in Fiji. They provide precision laboratory instruments for research, clinical diagnostics, and industrial applications. Their products are known for reliability, user-friendly interfaces, and durability. Laboid maintains a large inventory and ensures prompt delivery, making them a trusted exporter and supplier in Fiji . Aditya Systems (LADA brand) specializes in spectrometers with customizable options. They focus on high-quality manufacturing using advanced technology and materials, ensuring reliable performance. Aditya Systems is recognized for competitive pricing, on-time delivery, and round-the-clock customer support . MA Trading Ltd offers a wide range of scientific instruments, including spectrometers, spectrophotometers, and analytical equipment. They provide products from reputed international brands and cater to industrial, laboratory, and educational sectors in Fiji . Medica Pacifica PTE Limited is Fiji's first privately owned clinical and laboratory supplies company. They supply spectrometers and other laboratory instruments, providing technical support, installation, and maintenance services. Their warehouse in Suva ensures regional supply and quick delivery .

Considerations When Choosing a Supplier...
