

Fiji Spectrometer Sales

Article Overview

Spectrometer sales in Fiji are supported by both local manufacturers and imports, with imports totaling \$3.09 million in 2022 and local suppliers like Laboid International and Aditya Systems providing a range of high-quality instruments.

Market Overview

Fiji's market for spectrometers and related instruments (commodity group 9027) shows a mix of local production and imports. In 2022, Fiji imported instruments for physical or chemical analysis, including spectrometers, valued at \$3.09 million, marking a 41% increase compared to 2021, while exports of similar instruments totaled \$259 thousand, a 15.5% decrease from the previous year. These instruments accounted for a small fraction of total trade, representing 0.103% of imports and 0.024% of exports.

Local Manufacturers and Suppliers

Several reputable companies in Fiji manufacture and supply spectrometers:

- Laboid International: A leading manufacturer and exporter of spectrophotometers and laboratory instruments in Fiji. They offer a wide range of precision instruments for research, industrial, and clinical applications, emphasizing durability, accuracy, and user-friendly design. Laboid maintains extensive inventory and provides reliable delivery and customer support.
- Aditya Systems (LADA brand): Recognized for high-quality spectrometers, Aditya Systems provides customizable solutions at competitive prices. Their products are...
