

France sells fiber optic cables

Article Overview

France hosts a range of specialized fiber optic cable manufacturers, including Prysmian Group, Nexans, IDIL Fibres Optiques, and Centre Fibre Optique, offering solutions for residential, commercial, and industrial applications.

Leading Manufacturers in France

- Prysmian Group: A major European manufacturer producing everything from glass preforms to finished fiber optic cables. Known for high-quality cables, including submarine and indoor/outdoor solutions, Prysmian ensures reliable supply chains and advanced fiber technologies like BendBright XS for tight bends .
- Nexans: Offers CPR-compliant fiber optic cables that meet stringent European fire safety standards. Nexans focuses on maintaining signal integrity under challenging conditions and provides documentation for sustainability reporting .
- IDIL Fibres Optiques: A French SME specializing in fiber optic and laser technologies. They design, develop, manufacture, and distribute fiber optic cables for various applications, including industrial and telecommunications .
- Centre Fibre Optique: Based in Tours, this company focuses on FTTH (Fiber to the Home) deployment and services for both professionals and individuals in the Centre Val-de-Loire region .
- Point Fibre Optique: Offers a wide range of fiber optic cables and components, with over 1,000 km of stock and rapid 24-hour delivery, supporting FTTH installations and other fiber projects .
- LUXERI: Specializes in custom fiber optic lighting solutions, optical guides, and cables for specialized applications, with over 20 years of experience .
- Covage: A telecommunications operator with a national fiber backbone, providing...
