

French high-grade optical cable

Article Overview

France offers a range of high-grade optical fiber cables from specialized manufacturers and suppliers, designed for professional, industrial, and high-performance network applications.

Leading Manufacturers and Suppliers

- FS.com provides high-performance fiber optic cables and patch cords, emphasizing rigorous testing, quality assurance, and compliance with international standards. Their products support structured cabling, long-distance transmission, and high-density network environments, with 24/7 technical support and rapid delivery options .
- Altitude Infra focuses on deploying and operating fiber optic networks, including Fiber to the Home (FTTH) and Fiber to the Office (FTTO), offering high-quality infrastructure solutions across France .
- Point Fibre Optique supplies a wide range of fiber optic cables and components, maintaining over 1,000 km of stock for fast delivery and professional support .
- Centre Fibre Optique specializes in FTTH deployment in the Centre Val-de-Loire region, providing tailored solutions for both businesses and residential clients .
- Covage operates a national fiber backbone, delivering high-speed optical fiber infrastructure with significant bandwidth capacity for communities and enterprises .
