

German cable tray brands

Article Overview

Top German cable tray brands include Pohlcon, Duelco, Bayka, Icotek, TKD Kabel, and Rosenberger-OSI, known for precision engineering, durability, and innovative designs.

Leading Brands and Their Strengths

Pohlcon – Offers a comprehensive range of cable trays, from traditional ladder systems to modular designs, emphasizing precision, durability, and energy-efficient solutions. Widely used in industrial and commercial sectors for safe and organized cable routing . Duelco – Specializes in flexible and reliable cable management systems suitable for high-demand environments like manufacturing plants and data centers. Their trays simplify installation and maintenance while ensuring long-term durability . Bayka – Known for high-quality steel and aluminum cable trays, including specialized systems for automotive and telecommunications industries. Focuses on reliability and professional engineering standards . Icotek – Innovates in smart cable management and EMC solutions, providing modular and customizable systems for industrial applications. Offers global support and solutions for complex installations . TKD Kabel GmbH – Supplies a wide range of cables and accessories, including cable trays, with strong technical support and tailored solutions for automation, telecommunications, and industrial projects . Rosenberger-OSI – Offers the VersaTray modular tray system, optimized for high-density data cabling, ensuring reliable transmission and superior signal integrity . Other Notable Brands – PFLITSCH, OBO Bettermann, WDM Deutenberg, and elmat Schlagheck GmbH provide specialized cable management solutions, including trunking, wire mesh, and modular systems for industrial and commercial applications
