

# High-quality Peruvian electrical distribution box manufacturer

## Article Overview

Peru has several specialized manufacturers of electrical distribution boxes and panels, including SIGELEC, A&L Industrial Suppliers, INET SAC, and GECODEM.

### Key Manufacturers in Peru

SIGELEC S.A.C. is a prominent Peruvian company focusing on medium and low voltage solutions. They manufacture customized electrical panels for industrial and commercial applications, emphasizing energy efficiency and automation. A&L Industrial Suppliers specializes in industrial electrical distribution and control panels, providing reliable grounding systems and a wide range of electrical materials for sectors such as construction, mining, and energy. INET SAC offers comprehensive electrical distribution services, including the manufacture of electrical panels and expertise in low and medium voltage applications, serving various industrial engineering projects. GECODEM focuses on medium voltage engineering, including the implementation of underground networks and installation of equipment at electrical substations, highlighting their expertise in electrical distribution. ELISE provides electrical protection solutions and designs customized systems to ensure continuous energy supply, which is crucial for industrial operations. HV Electric Services S.A.C. specializes in high and medium voltage systems, including testing and commissioning of transformers and switchgear, supporting safe and reliable electrical distribution.

### Distributors and Exporters...
