

Honduras Control Distribution Box Configuration Manufacturer

Article Overview

Honduras has several reputable manufacturers and suppliers of control distribution boxes and related electrical panels, including INTEK, Brilltech, and local power distribution equipment providers.

Key Manufacturers and Suppliers

INTEK Honduras, S.A. de C.V. INTEK specializes in industrial and electrical equipment for automation, instrumentation, control, and power distribution. They provide solutions for flow, pressure, level, temperature, and analysis, along with energy and fluid management systems. INTEK also offers commissioning, verification, and calibration services according to ISO 17025 standards, making them a reliable partner for industrial control distribution needs . Brilltech Engineers Pvt. Ltd Brilltech is recognized for manufacturing high-quality LT distribution panels and electrical panels in Honduras. Their products include load management panels, main LT power panels, and customized electrical panels designed for industrial and commercial applications. Brilltech emphasizes durability, anti-corrosive materials, and compliance with international standards, ensuring efficient and safe operation . Local Power Distribution Equipment Suppliers Honduras has a network of power distribution equipment manufacturers and suppliers that provide bulk and custom solutions for industrial and commercial applications. These suppliers offer a range of products including PDUs, power strips, and distribution boxes suitable for data centers, server rooms, and general-purpose electrical installations . Mouser Electronics For off-the-shelf distribution boxes, Mouser Electronics in Honduras offers a variety of gabinete...
