

Huijue ODF Fiber Optic Distribution Frame Manufacturer

Article Overview

Huijue Network is a leading manufacturer of fiber optic distribution frames (ODF), offering high-quality, customizable solutions for telecom and data center applications.

Company Overview

Huijue Network, also known as Shanghai Huijue Network Communication Equipment Co., Ltd, was founded in 2001 and is headquartered in Shanghai, China. The company specializes in telecom and communication products, including fiber optic distribution frames, network cabinets, and related components . Huijue operates multiple production bases, including a 50,000-square-meter factory in Jiangsu for metal precision production and assembly, and covers a total area of over 100,000 square meters across all facilities . The company employs thousands of staff and maintains a strong R&D and technical support infrastructure.

Product Range

Huijue manufactures a wide range of ODF solutions suitable for various network environments:

- Core capacities: 12 to 576 fiber cores, supporting high-density applications .
- Connector compatibility: SC, LC, FC, and ST adapters for flexible deployment .
- Design types: Rack-mounted, wall-mounted, floor-standing, and outdoor waterproof enclosures
