

Imported fiber optic KVM brand price quote

Article Overview

Fiber optic KVM systems are available from multiple international manufacturers, with pricing dependent on port count, resolution support, and transmission distance.

Key Manufacturers and Suppliers

- Adder Technology: Offers IP and fiber KVM solutions distributed in over 60 countries, including China, Germany, Japan, and the United States. They provide access to local distributors and resellers for pricing inquiries and quotations .
- DTECH Electronics: Specializes in HDMI and KVM extenders over fiber, supporting 4K@60Hz video, IR, RS232, and KVM functionality with transmission distances up to 20 km. They provide detailed product specifications and allow direct requests for wholesale pricing .
- ATEN International, Black Box, Siemens, Legrand, Austin Hughes, Guntermann & Drunck: Leading global players in fiber KVM matrix systems, offering solutions for data centers, broadcasting, and industrial automation .

Product Types and Specifications

- Port Configurations: Common options include 8-Port, 16-Port, and 32-Port systems, catering to both commercial and home-use applications .
- Video and Audio Support: Many systems support uncompressed 4K or 8K video over fiber, ensuring minimal latency and high signal integrity .
- Transmission Distance: Fiber optic KVM extenders can transmit signals over dista...
