

Kenya sheet metal distribution box manufacturer

Article Overview

Kenya has several reputable manufacturers of sheet metal distribution boxes, including Kenmet Ltd, Tronic Kenya, and Nationwide Electrical Industries, offering durable, safe, and customizable solutions.

Key Manufacturers

Kenmet Ltd Kenmet Ltd specializes in manufacturing attractive and durable electrical distribution boxes, including panel boards, breaker panels, and power distribution units. Their products are designed to meet customer-specific requirements for factories, residences, shopping centers, and office blocks. Kenmet ensures compatibility with bus bars, fuse links, switches, and residual current detectors, providing safe and user-friendly installation with sufficient space for wiring and error-free assembly . Tronic Kenya Tronic Kenya offers a wide range of TPN and SPN distribution boards made from high-quality ABS and sheet metal. Their products include 6-way, 10-way, 12-way, 16-way, 22-way, and 34-way distribution boards, as well as weatherproof and IP67-rated enclosure combi boxes. These solutions are designed for residential, commercial, and industrial applications, ensuring durability, safety, and efficient power management . Nationwide Electrical Industries Limited Nationwide provides custom sheet metal fabrication for electrical and industrial applications. They manufacture cable management systems, electrical enclosures, and distribution boxes with precision-engineered designs. Their services include powder coating for durability and aesthetic appeal, and they cater to Kenya, Uganda, and Tanzania, offering both standard and custom solutions for electrical distribution...
