

Kuwait power distribution box complete set manufacturer

Article Overview

Kuwait hosts several reputable manufacturers of power distribution boxes, including EPC, EBOMAC, AL-AHLEIA Switchgear, and Keming Electrical, offering low- and medium-voltage solutions compliant with MEW and IEC standards.

Key Manufacturers

1. Electrical Projects Company (EPC) EPC has over four decades of experience in Kuwait, specializing in low-voltage distribution equipment such as switchboards, distribution boards, motor control centers, and feeder pillars. They utilize advanced fabrication machinery and a state-of-the-art electrostatic powder coating factory to ensure durability and safety. EPC products are designed for residential, commercial, and industrial applications, meeting high industry standards for power protection and reliability . 2. EBOMAC Established in 1978, EBOMAC manufactures medium and low-voltage switchgear and electrical boards up to 12KV. They provide customized solutions tailored to local regulations and project requirements, with testing certificates from independent laboratories. EBOMAC also offers installation and maintenance services, ensuring compliance with safety and performance standards . 3. AL-AHLEIA Switchgear Co. K.S.C.C AL-AHLEIA specializes in switchgear and power distribution solutions for industrial and commercial projects in Kuwait. Their offerings include custom switchgear panels and distribution enclosures designed to meet local and international standards . 4. Keming Electrical (Regional Supplier) Although based in China, Keming Electrical supplies customized distribution boxes, junction enclosures, and metering units suitable for Kuwait's extreme desert climate. Their p...
