

Malta Low-Voltage Switchgear Complete Equipment Company

Article Overview

Medelec Switchgear Ltd and AJ Electric are leading providers of low-voltage switchgear and complete electrical solutions in Malta.

Medelec Switchgear Ltd

Founded in 1977, Medelec Switchgear Ltd specializes in the design, manufacturing, and assembly of medium and low-voltage electrical power distribution equipment, including low-voltage switchboards, compact substations, mobile substations, automatic transfer switches, and power system protection panels (Medelec Switchgear Ltd). The company operates from Malta, strategically located in the Mediterranean, and serves clients across Europe, North Africa, and the Middle East. Medelec emphasizes customized solutions, high-quality engineering, and ISO 9001:2015 certified quality management. They also provide engineering design services and digital control and protection panels for new or replacement installations.

AJ Electric

AJ Electric is a leading supplier of domestic, commercial, and industrial electrical systems in Malta and Gozo. They are the official partner for Siemens low-voltage electrical devices, offering a wide range of switchgear, distribution boards, and control devices. AJ Electric focuses on providing high-quality products, competitive pricing, and comprehensive customer service, catering to professional project mana...
