

Manufacturer Recommendation Qatar Cable Trays

Article Overview

Top cable tray manufacturers in Qatar include Altura Industries, Electra, Adastra WLL, ICMS, and Wibe Group, all known for high-quality, durable, and certified cable management solutions.

Leading Companies

Altura Industries is a prominent manufacturer in Qatar, offering a wide range of cable trays, ladders, and wire mesh systems designed for smooth cable pulling and durability in harsh environments such as petrochemical and marine industries. Their products comply with BS EN 61537:2007 standards, and they provide GRP/FRP trays for corrosion resistance, making them a reliable choice for industrial applications . Electra supplies a versatile range of cable trays and accessories suitable for residential, commercial, and institutional projects. They offer pre-galvanized and hot-dip galvanized trays, heavy-duty options with or without covers, and various fittings like bends, reducers, and tees. Electra emphasizes robust construction and long-term reliability . Adastra WLL specializes in innovative and durable cable management systems tailored for industrial, commercial, and infrastructure projects. They focus on efficiency and high-quality solutions, making them a strong option for large-scale installations . ICMS (Industrial Cable Management System Co.) is the first local manufacturer in Qatar producing complete cable management systems, including trays, ladders, trunking, and support systems. ICMS is ISO certified, UL certified, and uses advanced CNC technology to ensure precision and quality. They have a strong track record in prestigious projects across the Gulf region . Wibe Group / QEIS provi...
