

Manufacturer of power distribution cabinets and boxes

Article Overview

Leading manufacturers of power distribution cabinets and boxes include DOHO, J&HW Group, E-Abel, Stareco GmbH, and L-com, offering customizable, standards-compliant solutions for industrial and commercial applications.

Key Manufacturers

DOHO is a globally recognized manufacturer with over 10 years of experience in designing and producing power distribution cabinets. Their products are ISO 9001:2015 certified and widely used in telecommunications, data centers, and electrical utilities. DOHO offers both standard and custom solutions, ensuring high reliability, performance, and compliance with international standards. J&HW Group specializes in custom power distribution boxes, producing essential components in-house to reduce costs and improve efficiency. Their integrated production process allows for tailored solutions that fit specific project requirements, minimizing unnecessary features and ensuring precise functionality. E-Abel (a brand of Elecprime Ltd.) provides a wide range of electrical enclosures, including NEMA/IP-rated cabinets, stainless steel enclosures, and server rack cabinets. They cater to industries such as data centers, medical facilities, electric vehicle charging, and IT systems. E-Abel emphasizes fast delivery, with in-stock boxes available in 7 days and customized solutions in 20 days. Stareco GmbH in Germany focuses on electrical control and switch cabinets, offering serial cabinets, operating panels, and process control cabinets. They are known for flexibility and innovation, adapting products to meet unique client requirements across various industries. L-com offers NEMA outd...
