

Manufacturers of optical distribution boxes and fiber distribution boxes

Article Overview

Leading manufacturers of optical distribution boxes include OTRANS, MellaxTel, Gcabling, Fibrain, and CRXCONEC, offering a wide range of indoor and outdoor fiber distribution solutions.

Key Manufacturers and Their Offerings

1. OTRANS OTRANS provides a comprehensive range of Fiber Distribution Boxes (FDB) and Optical Distribution Frames (ODF) for FTTx deployments. Their products support 1-24 core capacities, are made from durable ABS+PC materials, and are suitable for both indoor and outdoor installations. OTRANS boxes are designed for dustproof, waterproof, and secure network protection, with versatile mounting options on walls, poles, or inside cabinets . 2. MellaxTel MellaxTel, based in Ningbo, China, specializes in R&D, manufacturing, and sales of optical distribution boxes. They offer boxes of various sizes and capacities, integrating fiber splicing and optical splitters. MellaxTel emphasizes ISO9001 quality standards, CE marking, and SGS certification, ensuring compliance with international safety and environmental standards. They also provide customization, installation guidance, and training services . 3. Gcabling Gcabling offers fiber distribution boxes and terminal boxes with high-strength, corrosion-resistant materials and IP65, IP67, and IP68 waterproof ratings. Their products come with a 15-year warranty and support OEM/ODM services, making them suitable for diverse fiber optic network deployments. Gcabling focuses on fast shipping, technical support, and inventory availability . 4. Fibrain Fibrain manufactures closures and distribution boxes for optical communications, providing...
