

Mexican Aluminum Alloy Cable Tray Manufacturer

Article Overview

Top Mexican manufacturers of aluminum alloy cable trays include Tecnotray, Indalum, Siesa, A. M. Castle & Co. Mexico, and Alyex, all offering certified, high-quality products for industrial and commercial applications.

Tecnotray

Tecnotray is a leading Mexican manufacturer specializing in electric cable supports, including mesh-type and squared hinged cable trays. Their products are 100% Mexican-made and certified by ANCE, LAPEM (CFE), PEMEX (IMP), and UL, ensuring reliable installation and compliance with high-quality standards. Tecnotray offers advanced anti-corrosive protection for harsh environments, making their trays suitable for chemical, food, and saline industries. They also provide multiple color options and patented painting processes for enhanced durability and aesthetics .

Indalum

Indalum is an aluminum extrusion company with over 40 years of experience, providing solutions for electrical, industrial, and construction applications. They manufacture aluminum cable trays and conduit pipes, offering nationwide distribution. Indalum emphasizes customized solutions, high-quality standards, and compliance with industry specifications, making their products suitable for diverse applications, including renewable energy, automotive, and construction projects
