

Mobile power distribution box manufacturers

Article Overview

Leading manufacturers of mobile portable power distribution boxes include INDU-ELECTRIC, Zhejiang HYPER Electrical, Trystar, Lex Products, and DISTRO-DIRECT, offering durable, customizable, and certified solutions for industrial, event, and temporary power applications.

Key Manufacturers and Offerings

INDU-ELECTRIC provides a wide range of power distribution units, including mobile and portable solutions. Their products are tailored to specific technical and mechanical requirements, offering high-capacity distribution for mobile applications, compact portable units, and flexible rack-mounted systems. They emphasize reliability under extreme conditions and offer custom solutions for construction sites, events, and industrial environments . Zhejiang HYPER Electrical Co., Ltd. (formerly HANBEN) specializes in portable distribution boxes, waterproof socket boxes, and industrial plugs and sockets. Their products range from 200-400A and are certified with ISO9001, CCC, CB, CE, UL, TUV, and other international standards. HYPER exports globally, serving markets in the USA, Europe, Asia, South America, and Africa, and focuses on high-quality, safe, and reliable portable power solutions . Trystar manufactures rugged portable power distribution units for temporary, industrial, and event applications. Their products are designed for durability in harsh environments, with heavy-duty enclosures, UL/NEMA ratings, and flexible connection points. Trystar also offers innovative mobile energy platforms like GridPak, combining solar, battery storage, and supplemental generation for scalable, low-emission power . Lex Produ...
