

Nicaragua Dual Power Distribution Box Manufacturer

Article Overview

Several companies in Nicaragua supply or manufacture dual power distribution boxes, including local distributors and international suppliers with certified products.

Key Manufacturers and Suppliers

- **Industrias Edison** Industrias Edison is a Nicaraguan company specializing in electrical materials for medium and low voltage applications. They provide equipment and materials for industrial, commercial, and residential projects, including power distribution systems, and offer installation and maintenance services .
- **Dilecsa** Based in Managua, Dilecsa distributes a wide range of electrical and telecommunications products. They focus on industrial and commercial solutions, including integrated and assembled electrical equipment, which can include dual power distribution boxes .
- **International Config – Nicaragua PDUs** This supplier offers multiple outlet power strips and PDU (Power Distribution Unit) solutions suitable for surface mount, rack mount, and general-purpose applications. Their products comply with Nicaraguan standards and are designed for both standard and industrial duty, including data center and server room applications .
- **Vill-Impex Ltd.** Vill-Impex acts as a local exclusive agency for European manufacturers like GEWISS, providing access to high-quality power distribution boxes and electrical enclosures in Nicaragua .
