

# Nigerian distributor of OSFP optical network switches

## Article Overview

CCTech and Presten Systems are among the Nigerian distributors offering OSFP-compatible optical network switches and related high-performance networking equipment.

### Key Distributors

1. CCTech Nigeria CCTech offers Juniper Networks OSFP products, including high-speed 800G AOC cables and switches suitable for enterprise and data center applications. They provide technical support and consultation to help select the ideal OSFP solution for your network infrastructure needs . Contacting them directly can provide pricing, availability, and delivery options. 2. Presten Systems Presten Systems is a leading distributor of Cisco, Mikrotik, Ubiquiti, and other top networking brands in Nigeria. While their catalog primarily highlights routers, switches, and IP telephony, they also supply high-performance optical networking equipment compatible with OSFP modules. They have pickup centers in Abuja, Port Harcourt, Akure, Ibadan, Uyo, and Enugu, and can deliver nationwide via waybill . 3. Other Networking Providers Several Nigerian companies specialize in fiber optic and network infrastructure, which may include OSFP-compatible switches:

- Broadbased Communications Limited (BBC): Offers Next Generation Fiber Optic Network solutions and Metro Fiber Optic Local Loop services .
- Swift Networks Limited: Provides advanced broadband and high-capacity network solutions ....
