

Nordic fiber optic cable companies

Article Overview

Key fiber optic cable manufacturers in the Nordics include Nexans, Habia, Westermo, MicroComp Nordic AB, and infrastructure projects like Eastern Light.

Leading Manufacturers

Nexans is a prominent Swedish manufacturer specializing in high-quality fiber optic cables for telecommunications, data networks, and industrial applications. Their products are designed for indoor, outdoor, underground, aerial, and even underwater installations, ensuring robust performance and fire safety compliance . Habia focuses on customized connectivity solutions, producing high-performance cables for demanding applications across sectors such as aerospace, defense, and industrial automation. They emphasize tailored solutions for critical connectivity needs . Westermo provides industrial fiber optic products that integrate serial and Ethernet networks, supporting mission-critical systems in sectors like rail, transport, water, and energy. Their solutions are designed for challenging environments requiring high reliability . MicroComp Nordic AB operates as a sales, product development, and consultancy firm, offering fiber optic components and subsystems. They specialize in RF over fiber, radar, and SDR applications, serving military, cellular, and research clients .

Infrastructure Projects

Eastern Light is a major fiber-optic infrastructure initiative in the Nordic region, building and maintaining long-haul dark fiber routes to meet growing demand. They provide the basic fiber infrastructure for carriers, hyperscalers, and other customers...
