

Norway Tongda Cable Tray Manufacturer

Overview

Tongda is a leading manufacturer in the electrical cable industry, offering over 70 branded series and 3,000+ specifications. Our expertise spans standard and customized production, with cables designed to comply with international standards such as BS, VDE, and JIS. Oplaend System was founded in 1977 in Sandnes, Norway. From the very beginning our goal has been to become the leading supplier of multidiscipline support systems, cable trays and cable ladders world-wide. Today, the Oplaend System Group is a highly internationalised corporation with subsidiaries. The company has been engaged in wire and cable production and R&D for more than 30 years, and was successfully listed on the Shenzhen Stock Exchange on March 3, 2011. Committed to sustainable development and the well-being of human. Backed by decades of experience, state-of-the-art manufacturing capabilities, and a commitment to quality, our solutions offer unparalleled. Established in 1987, Henan Tong-Da Cable Co.
