

Oman Cable Tray Manufacturing Company

Article Overview

Oman has a range of reputable cable tray manufacturers and suppliers offering FRP, GI, SS, aluminum, ladder, perforated, and wire mesh cable trays for industrial, commercial, and residential projects.

Leading Cable Tray Suppliers

Albustan Technical Supplies LLC provides a complete range of cable management systems in Oman, including cable trays, trunking, ladders, conduits, and raceways. Their products are made from high-quality materials such as steel, aluminum, PVC, and FRP, ensuring durability, corrosion resistance, and compliance with international safety standards. They serve industries like construction, power, oil & gas, and infrastructure, offering solutions for both heavy-duty and general-purpose applications. SV Composites & Engineering Pvt Ltd specializes in FRP cable trays in Oman. Their trays are designed for high load-carrying capacity, fire and corrosion resistance, and long-life performance in harsh environments such as coastal areas, chemical industries, and high-temperature applications. They offer a variety of configurations, sizes, and capacities, including FRP channel-type trays for light instrumentation cables and power cables. GULF GRATING supplies a wide range of cable trays including FRP/GRP, GI, SS, and aluminum. Their ladder-type cable trays are prefabricated with side rails and rungs, providing maximum ventilation and load support. These systems are suitable for oil & gas, power, industrial, commercial, and residential projects, with all necessary fittings available for easy installation.
