

# Omani electrical distribution box manufacturers

## Article Overview

Key manufacturers of electrical distribution boxes in Oman include Perfect Automation & Innovation, National Electrical Industries (NEI), and Electro Mechanics L.L.C., offering a range of low and medium voltage solutions.

### Leading Manufacturers

1. Perfect Automation & Innovation Located in Muscat, this company specializes in power distribution boxes, control panels, and power contactors. They provide standard and custom-designed products focused on efficiency and reliability, with strict quality inspections to ensure optimal performance . 2. National Electrical Industries Co. L.L.C. (NEI) Established in 1997, NEI manufactures a wide range of electrical switchgear and distribution boards, including MCB and MCCB distribution boards, earth leakage circuit breakers, and G.I. switch boxes. Their products are designed for industrial, commercial, and residential applications, with features like removable neutral links, shrouded busbar systems, and clear labeling. NEI enclosures are powder-coated and conform to international standards such as IEC 439 and BS60947-2 . 3. Electro Mechanics L.L.C. (EM) EM is a prominent electro-mechanical contracting company in Oman, providing comprehensive electrical services including distribution box solutions. They have experience in both government and private sector projects, emphasizing high standards and specialized solutions . 4. Abu Yasser Al Mawly Enterprises LLC (AYM) AYM focuses on high voltage transmission and electrical distribution, offering design, installation, and maintenance of substations and transmission lines. They provide tailored solutions for electrical distribution proj...
