

Optical Communication Equipment Manufacturing Company

Article Overview

Top optical communication equipment manufacturers include Coherent Corp., Lumentum, Cisco Acacia, Broadcom, Hisense Broadband, Accelink, and ACON OPTICS, offering high-speed transceivers, fiber optic components, and advanced networking solutions.

Key Global Manufacturers

Coherent Corp. (formerly II-VI) is a U.S.-based leader in optical components, lasers, and photonics solutions, providing high-performance optical transceivers, active optical cables, and silicon photonics modules for data centers, telecom, and AI networks . Lumentum Operations LLC specializes in optical transceivers and photonic products for 400G and 800G data rates, serving cloud and data center infrastructure globally . Cisco Acacia (Acacia Communications, now part of Cisco) develops silicon photonic-based optical interconnects, CFP-DCO, OSFP, and QSFP-DD modules for high-capacity cloud and service provider networks . Broadcom Inc. provides high-performance optical transceivers and semiconductor solutions for hyperscale data centers and enterprise networks, emphasizing integration and energy efficiency . Hisense Broadband (China) manufactures optical transceivers, active optical cables, and GPON/10G/25G PON solutions for telecom operators and data centers, with a focus on high-speed packaging technologies . Accelink Technology Co. Ltd (China) produces optical transceivers, modules, and components for metro, access, and data center applications, investing in silicon photonics and hybrid integration for next-generation networks . ACON OPTICS (Taiwan) specializes in high-density fiber optic i...

Top 21 Optical Laser Manufacturing Companies

Want to Find More Optical Laser Manufacturing Companies? If you want to find more companies that offer specialized laser systems,

Corning Optical Communications | Fiber Optic Connectivity Solutions ...

We design and manufacture a broad range of high-performance fiber optic components and integrated modules for original

Top 28 Optical Communication Systems Companies

Today, let us take stock of the top 10 optical communication device manufacturers in the world 2023. Optical communication devices

Free Space Optics Communication Technology Market Top Companies

Top 10 Leading Companies in the Global Free Space Optics Communication Technology Market The growing

Experienced Fiber Optic Equipment Suppliers & Fiber Optic Companies ...

PHXFIBER is a fiber optic equipment manufacturer and optical communication company. We manufacture fiber optic equipment with

10 companies in the optical transceiver industry chain 2024

The rapid development of AIGC has promoted the demand for 800G optical modules, and the entire industrial chain

About OCC

We started as pioneers in fiber optic communication by innovating the most reliable, high-performance fiber optic cable in the world.

34 Optical Transceiver Manufacturers in 2026

34 Optical Transceiver Manufacturers in 2026 This section provides an overview for optical transceivers as well as their applications

10 Best Fiber Optic Manufacturers & Suppliers for 2026

Fiber optic cables drive modern communication systems across homes, offices, and large data centers. These cables

GD Optics | Think small

GD Optics is one of the leading international companies in the field of optical technologies

Optical Communication and Networking Equipment Companies

The research insight on optical communication and networking equipment market highlights the growth strategies of the companies.

Top Optical Networking Companies

Optical networking allows enterprises to stay ahead of the curve in today's technology-driven world. This type of

Top 24 Fiber Optic Cable Manufacturing Companies

Want to Find More Fiber Optic Cable Manufacturing Companies? If you want to find more companies that provide optical cables and

The Elite 100 Directory of Optical Manufacturers using MRF polishing ...

Identify manufacturers of optical components who specialize in manufacturing of high-quality planos, spheres, aspheres, cylinders,

Free Space Optics Communication Technology Market Top Companies

The growing demand for fast and secure wireless communication and rising demand for digital connectivity are driving

OEM Optical Communication Solutions

Corning has a long and proven history of supplying groundbreaking solutions to transform our customers"

Top Companies in Optical Communication Equipment (Apr, 2026

Globally there are 354 Optical Communication Equipment companies which include top companies like Applied

Who are the Top Optical Transceiver Manufacturers□

Who are the Top Optical Transceiver Manufacturers? I have spent many years in the optical

Top Companies in Optical Communication Equipment (Apr, 2026

Manufacturer of optical transceivers, components, and subsystems for data and telecommunications. The company's

Precision Optical Technology Solutions & Manufacturing

Your partner in delivering precise and field-proven optical products and solutions. Turn complexity into

Global Leader in Materials, Networking, and Lasers

Learn how Coherent empowers innovations and breakthrough technologies for the industrial,
