

# Original Manufacturer of Explosion-proof Boxes and Distribution Boxes

## Article Overview

Leading original manufacturers include Atex Delvalle, CZ Electric Co., MAM, and Warom Group, all offering certified explosion-proof boxes and distribution systems for hazardous environments.

### Key Manufacturers

Atex Delvalle specializes in custom-made explosion-protected solutions, including local control stations, distribution boxes, and hazardous area enclosures. Their products are made from stainless steel (AISI 304L or 316L) or GRP, and are fully configurable with ATEX and IECEx certified components. They focus on robust designs suitable for extreme temperatures and outdoor conditions, offering both push-button control units and terminal boxes for industrial applications. CZ Electric Co., Ltd., established in 1990 in Jiaxing, Zhejiang Province, manufactures explosion-proof isolation switches, safety switches, and MCB distribution boxes. Their products comply with ATEX, IECEx, and CNEX standards, and the company has certifications from DNV, TUV, and CSA. CZ Electric serves global markets with offices in 28 countries, providing high-quality, internationally certified explosion-proof electrical equipment. MAM provides a wide range of certified Ex electrical equipment, including control panels, junction boxes, lighting systems, cable glands, and distribution systems. Their products are designed for oil & gas, offshore drilling, petrochemical, mining, and pharmaceutical industries. MAM emphasizes safety through intrinsic safety, flameproof enclosures, and pressurization techniques, supporting OEMs, EPC contractors, and system integrators worldwide. Warom Grou...
