

Pakistan CE Certified Industrial Switch SFP

Article Overview

CE-certified industrial switches with SFP ports are available in Pakistan from brands like TP-Link and Huawei eKit, offering rugged, high-performance networking solutions for industrial environments.

Key Options Available

1. TP-Link Industrial Series Switches These switches are designed for harsh industrial environments, featuring industrial-grade hardware, wide operating temperature ranges, and strong protection against electrical interference. They provide stable and secure network performance for demanding applications, though power adapters may need to be purchased separately . 2. Huawei eKit Industrial Switch S210I-8P4SX The Huawei eKit S210I-8P4SX is a rugged, high-performance L2 industrial switch suitable for factories, transportation systems, and outdoor deployments. It offers multiple Gigabit and 10 Gigabit SFP ports, fanless silent operation, dual redundant power supply, and DIN rail mounting for easy installation. It supports high-density, high-bandwidth scenarios and ensures reliable connectivity in harsh conditions . 3. TP-Link TL-SX3008F JetStream 8-Port 10GE SFP+ Managed Switch This switch provides 8× 10 Gbps SFP+ ports with a non-blocking 160 Gbps switching capacity, integrated Omada SDN management, and robust security features including ACL, IP-MAC-Port Binding, and 802.1X authentication. It is optimized for voice, video, and high-bandwidth applications and is available with delivery across Pakistan .
