

Palau Hot-Dip Galvanized Cable Tray Prices

Article Overview

Hot-dip galvanized cable trays typically range from \$25 to \$150 per 2-6 meter section, depending on type, size, and supplier, with additional shipping costs to Palau.

Estimated Pricing

- Ladder-type HDG cable trays (standard 2.4 meters): approximately \$25-\$60 per tray depending on width and load capacity .
- Trunking or solid HDG cable trays (custom sizes 50-1000 mm width, 2-6 meters length): prices range from \$50-\$150 per section .
- Fittings and accessories (couplers, bends, tees): typically \$5-\$30 per piece, depending on size and complexity .

Factors Affecting Price

- Material and Thickness: Thicker steel or higher-quality galvanizing increases cost .
- Size and Type: Wider or deeper trays, or specialized trunking, are more expensive .
- Supplier Location: Most HDG trays are manufactured in China, Vietnam, or India, with shipping to Palau adding freight and import duties .
- Customization: OEM or custom lengths and designs can increase the price .
- Market Volatility: Steel and zinc price fluctuations can affect final costs .

Sourcing in Palau...
