

Price list for Estonian tray-type cable trays

Article Overview

The price of Estonian tray cable trays varies depending on size, material, and order volume, with bulk pricing available from verified suppliers.

Overview of Pricing

Estonian cable trays, including vertical and horizontal types, are typically sold in bulk to commercial buyers and importers. Prices are tiered based on order volume, and suppliers often require a minimum order quantity to provide competitive rates . Exact pricing is not publicly listed online, but suppliers such as Realcable and other B2B marketplaces allow buyers to request custom quotes based on specifications and quantities .

Factors Affecting Price

- **Material and Finish:** Rust-free or galvanized steel trays are more expensive than standard steel trays .
- **Tray Type:** Vertical trays, ladder trays, and perforated trays have different manufacturing costs .
- **Length and Width:** Standard lengths are usually 3-6 meters, and wider trays cost more due to additional material .
- **Order Volume:** Bulk orders reduce the per-unit cost, while small orders may incur higher prices .
- **Supplier and Brand:** Local Estonian suppliers like A-Kaabel provide installation services and warranties, which can affect overall cost
