

Price of Custom-Made Cable Trays in South Sudan

Article Overview

Custom-made cable trays in South Sudan are available from local suppliers and manufacturers, with prices varying based on material, size, and customization requirements.

Local Suppliers and Pricing

- Shopit South Sudan offers a range of cable trays, including galvanized options such as 50mm x 25mm trays, with competitive pricing and fast delivery . While standard sizes are listed, custom dimensions can often be requested directly from the supplier.
- Bahra Electric provides versatile cable trays suitable for commercial, industrial, and institutional projects. They emphasize modular and customizable designs, which allow for tailored solutions depending on project specifications .

Factors Affecting Price

- Material: Steel, stainless steel, aluminum, or non-metallic options influence cost. Galvanized steel is commonly used for durability and corrosion resistance.
- Dimensions and Load Capacity: Larger trays or those designed to carry heavier cables will cost more.
- Customization: Special bends, perforations, or unique configurations increase manufacturing complexity and price.
- Quantity: Bulk orders may reduce per-unit cost, while single custom units are more expensive.
- Delivery and Installation: Shipping to remote areas in South Sudan or on-site installation costs can significantly impact the total price.
