

Price of electrical distribution boxes for construction sites in Mali

Article Overview

Prices for electrical distribution boxes in Mali vary widely depending on type, customization, and supplier, typically ranging from \$150 to \$1,200 per unit for standard construction site models.

Types and Specifications

Construction site electrical distribution boxes are designed for temporary power distribution and safety compliance. Common features include:

- Material: Thermoplastic, technopolymer, or sheet metal with ABS base for durability and shock resistance (6J) and heat resistance up to 650°C (Glow Wire Test) .
- Protection: IP65–IP67 ratings for dust and water protection, with options for padlock or screw-secured lids .
- Electrical Ratings: Single-phase or three-phase, 50/60Hz, with fused primary disconnects and 50A 120/240V receptacle options .
- Customization: Stackable units, pre-wired or modular designs, and color options (standard grey RAL 7035) .
