

Price of grounding connection strip for distribution box

Article Overview

Grounding strips for distribution boxes typically range from €10–€30 for small packs, depending on material, size, and quantity.

Pricing Examples

- Amazon Germany offers a pack of 10 brass grounding strips suitable for PE30 distribution boxes at around €19–€25 per pack, with each strip measuring 6.7 x 1.7 x 0.8 cm and made of durable brass for corrosion resistance and high electrical capacity .
- Amazon UK lists a copper grounding bus bar with 6 positions for distribution boxes, with prices generally in the £15–£20 range, depending on seller and shipping options .
- Bürklin Elektronik provides grounding strips in various quantities, from single pieces to hundreds, with prices varying by size and material. For example, small packs of 10–50 pieces are typically priced around €10–€30, while bulk orders reduce the per-unit cost .
- McMaster-Carr offers grounding strips and busbars for industrial enclosures, with prices depending on material (copper, brass, or plated steel) and length. Small strips suitable for distribution boxes usually start at \$10–\$20 per piece .

Factors Affecting Price

- Material: Brass and copper are common; copper is slightly more expensive but offers lower resistance....
