

# Price of white electrical distribution boxes on the street

## Article Overview

Outdoor white electrical distribution boxes typically range from \$150 to \$1,000 or more, depending on capacity, material, and installation requirements.

### Pricing Overview

The cost of a white electrical distribution box for street or outdoor use varies widely based on amperage rating, number of circuits, material, and weatherproofing. Standard low-voltage outdoor units suitable for pole or wall mounting, such as ABC distribution boxes or street lighting cut outs, generally start around \$150-\$300 for basic residential or small commercial units and can exceed \$1,000 for high-capacity or industrial-grade boxes with advanced features like lockable covers and BS88 fuse compatibility .

### Factors Affecting Cost

- **Material and Durability:** Outdoor-rated enclosures with weather-resistant coatings or corrosion-resistant metals cost more than indoor-rated units .
- **Capacity and Rating:** Higher amperage (e.g., 400A) or multi-circuit boxes increase the price .
- **Installation Type:** Pole-mounted or wall-mounted units may require additional mounting hardware, which adds to the total cost .
- **Safety and Compliance:** Units tested to standards such as BS 7654 or NEC compliance may carry premium pricing ....
