

Ranking of Peruvian Electrical Control Cabinet Wiring Manufacturers

Article Overview

Top Peruvian manufacturers for electrical control cabinet wiring include PANELEK, ETM Company, DIMATIC, TJ Castro, and SIGELEC S.A.C., recognized for quality, experience, and industrial automation expertise.

1. PANELEK

PANELEK is a specialized manufacturer and service provider in the electrical industry with over 20 years of experience. They focus on mechatronic systems, industrial control panels, and automation solutions, representing major Asian manufacturers to ensure competitive pricing and quality. Their panels comply with national and international standards, offering modular designs for easy installation and future expansion, suitable for both medium and high voltage systems .

2. ETM Company

ETM Company S.A.C. has over 15 years of experience in industrial automation and electrical solutions. They provide high-precision integration, metal-mechanical fabrication, and control panel manufacturing. ETM emphasizes advanced automation systems, PLC integration, and industrial process optimization, delivering solutions that meet rigorous international standards for reliability and safety .

3. DIMATIC...
